November 27-29, 2017 | UP Film Institute, Diliman, Quezon City

Definition of Terms

- * **Children and Youth with Disabilities (CYDs)** – refer to children and youth with: long-term physical, mental, intellectual or sensory impairments which in interaction with various barriers may hinder their full and effective participation in society on an equal basis with others regardless of disability, ethnic group, religious affiliation, and linguistic or indigenous origin.
- * **Disability** – refers to an umbrella term for impairments, activity limitations, and participation restrictions referring to the negative aspects of interaction between individuals with health conditions and contextual factors.

International Summit and Seminar on Inclusive Education - Part 2

'Schools FOR ALL'
Every. One. Included.

November 27-29, 2017 | UP Film Institute, Diliman, Quezon City

Definition

- * **Inclusive Education** – refers to a process of addressing and responding to the educational needs of all learners, regardless of ethnicity, sex, age, disability, religion, sexual orientation, or other protected characteristics. It responds to the diversity of needs of all learners by increasing participation in learning, cultures and communities, and reducing exclusion within and from education. It involves changes and modifications in content, approaches, structures and strategies, with a common vision which covers all children of the appropriate age range and a conviction that it is the responsibility of the state to educate all children. It shall also focus on the achievement of high quality education for all learners and the development of more inclusive societies and not just on marginal issues.
- * **Inclusive Education Hub** - refers to a teaching or learning inclusive education support system for students, teachers, school personnel and other education stakeholders
